RE: Sponsorship Opportunities

To Whom It May Concern,

The Canadian Speckle Park Association holds an Annual General Meeting hosted each summer in a different province on a rotational basis in which farm tours, an AGM and social events take place to allow for breeders across Canada to connect face to face with a typical attendance of 100-150 members. The three-day event will be very special this year as we are celebrating 20 years of distinct breed status in Canada as recognized by the Animal Pedigree Act.

Our goal is to come back to our roots as the breed was started here in Saskatchewan. We are proud to announce the AGM, speakers and bus tour will take place in Saskatchewan; specifically in Saskatoon and surrounding area with a bus tour travelling to Speckle Park breeders in Saskatoon, Middle Lake, Cudworth, Prince Albert, and Hague.

The event will take place from the evening of Thursday June 25th 2026 with an opening social to Sunday on June 28th 2026 after the conclusion of our Canadian Junior Speckle Park National Show.

We are offering various sponsorship opportunities for our event:

Platinum \$1,000 + Gold: \$750-\$999 Silver: \$500-\$749
Bronze: \$250-\$499 Friends of Speckle Park: >\$249

All sponsors will be recognized throughout the weekend for their greatly appreciated support. For more information about the parameters of each sponsorship level, please see the outline attached.

Thank you for your consideration of sponsoring our Annual General Meeting this year.
