

How to View & Print DNA Results

Step 1: Login to your online account. Your username is your member number. Your password is either the temporary password provided by the CSPA office or the password you have since set.

Step 2: Go to the My Herd tab. Then go down to My Lab, My Lab Test Results.

Home My Herd	My Performance	My Reports	My Account	Tools	Email	Help	Log Out	
New User Are You A New User? If you are a new user to the i pages. You will find in this se that will help to improve you	Support Support Find out whe	Support Support Find out where to get support if you run into difficulty.						
PDF Info PDF Reports What Are Find out what PDF Documen they can be of benifit to you	New What's Ne Find out what system.	New What's New!! Find out what changes have recently been made to the online system.						
Get Reader Get Acrobat Reader f you cannot view the repor Reader. Get Get ADOSE" READER"	ts then you need Adobe Acrob	at						

Step 3: This will bring up your lab results. You can use the search box to search results for a specific animal if you wish.
